

HELPFUL APPS

SAFETEAM WEB APP

ZALEMO has developed safety management software and created a state-of-the-art application to help employers in any industry measure their safety performance, training needs, and even project manhours.

INCIDENT COST CALCULATOR

While you can't put a price on a worker's health and wellbeing, you should know the financial cost of a workplace incident. By uncovering the obvious - and not-so-obvious - costs of an incident, this calculator uses sample accident and injury scenarios from a number of industries to show why a safe workplace is good business.

OSH ANSWERS

Easy-to-read, question-and-answer fact sheets covering a wide range of workplace health and safety topics, from hazards to diseases to ergonomics to workplace promotion.
