

# HELPFUL APPS

## SAFETEAM WEB APP

ZALEMO has developed safety management software and created a state-of-the-art application to help employers in any industry measure their safety performance, training needs, and even project manhours.

## DECIBEL PRO: DB SOUND LEVEL METER

MEASURE NOISE AT HOME OR IN THE WORKPLACE AND CALIBRATE HOME OR PROFESSIONAL AUDIO EQUIPMENT WITH THIS FREE APP WHICH INCLUDES A NOISE DOSIMETER, SPECTRUM ANALYZER WITH RTA, FFT AND SPECTOGRAM, AS WELL AS A HEARING TEST.

## NIOSH SOUND LEVEL METER

Developed by the National Institute for Occupational Safety and Health (NIOSH), this app is exclusive to iPhone and is a useful tool for anyone working in noisy environments. It can raise employees' awareness about the noise levels in their workplace, help them make informed decisions about their hearing health and determine when hearing protection is necessary.
