SHAKING ALL THAT CAN BE SHAKEN

In the book of Hebrews the writer says in Chapter 12:25-27, ***“See that ye refuse not him that speaketh: for if they escaped not who refused him that spake on earth, much more shall not we escape, if we turn away from him that speaketh from heaven: Whose voice then shook the earth: but now he hath promised, saying, Yet once more I shake not the earth only, but also heaven. And this word, Yet once more, signifieth the removing of those things that are shaken, as of things that are made, that those things which cannot be shaken may remain.”***

The word shaken in vs. 27 means to agitate, rock, topple or destroy; to disturb, incite stir up. For many, their world has been rocked and toppled this year. Most do not understand what is going on. Early in the year before the covid19 outbreak, the Lord spoke that He was going to shake everything. Shaking comes when we have the wrong things as priorities in our lives.

Shaking begins in the House of God. Many churches as I write this, are closed for one reason or another. The shaking has hit them hard. Many that have built their own kingdoms instead of building God’s kingdom will they see their kingdoms shaken and topple if they don’t repent. If they don’t repent, all that they think is of value will be destroyed.

The shaking is also taking place in the lives of believers and non-believers alike. There is such a division in the body of Christ over racism and other things like abortion and transgenderism. Many approve of those and homosexuality. God is shaking these things to see who truly will stand for Him in these days. It sorrows me when I see Pastors standing for Black Lives Matter, not realizing how this organization is ungodly from its conception. It has nothing to do with making any kind of lives matter. Their goal is to destroy America and anyone that opposes socialism. They are arm in arm with those that promote Islam and Sharia law. How can anyone be so deceived? They are caught up in the things of the flesh and not the spirit.

The shaking is also going on in nations with earthquakes, flooding, volcanoes erupting, fires and hurricanes and derechos. Many have lost much because of this shaking, but it will continue until ***“those things which cannot be shaken may remain.”***

We must examine our lives and our hearts daily to see what needs to be “shaken” out so we don’t fail in our walk with Christ. Will the shaking get worse? Yes, it will. The outcome of the shaking must be a bride presented to Christ without spot or blemish. A holy Church, that has no sin in it. It must take place friends, and we should say, “let it begin with me.”
