WIND WITHOUT RAIN

As I awakened this morning, I heard the Spirit say "wind without rain." This led me to the scripture in Proverbs 25:14 which says, ***"Whoso boasteth himself of a false gift is like clouds and wind without rain."***

There is much of this going on as I write this. Many prophets have risen up and proclaimed that all is well. It is much like the Apostle Paul said to the Church at Thessalonica when he wrote, ***"For when they say peace and safety; then sudden destruction cometh upon them, as travail upon a woman with child; and they shall not escape."***

Quite frankly, it is sickening when I hear this sugar coated everything will be all right message. It isn't going to be all right. There has been no national repentance. The streets are full of violence just like I prophesied over a year ago. People are running to prophet after prophet wanting to "hear a word," yet when true prophets give a word that comes as a warning, they run from it. The church has become like the church of Thyatira in Revelation 2:20-21, ***"Notwithstanding I have a few things against thee, because thou sufferest that woman Jezebel, which calleth herself a prophetess, to teach and to seduce my servants to commit fornication, and to eat things sacrificed unto idols. And I gave her space to repent of her fornication, and she repented not."*** Did you read that right? God gave her space to repent, but SHE REPENTED NOT!

Is there time to change things? I do not see it happening. I see more destruction and violence coming. I see many suddenlies. Sudden storms, sudden destruction of great magnitudes, sudden deaths, sudden removals from the pew to the pulpit, sudden removal of the candlestick which is the Pastor of a church. There is such a falling away from the truth of the scripture just as it was foretold.

Let this be a warning. There is not going to be any change without repentance. Jesus is coming back for a Church that is without spot or blemish. Don't be like the foolish virgins that had lamps without light. They are the false ones saying that all is well and did not prepare. They are the ones saying everything will get better but have been wind without rain.

Fear, false teaching, pride, faithlessness, arrogance is in the air. Oh, that God's people would come against this with Godly sorrow, repentance, humility, faith, and truth. Then and only then will things change.
