WHERE IS THE SAFEST PLACE TO BE?

With the media telling us about Covid19, riots, earthquakes, floods, tsunamis, asteroids, and terrorism many have asked the question, "Where is the safest place to be?"

Do we stay home? Do we wear a mask? Do we hoard up food? Do we go into the streets and witness? Do we buy a gun and ammunition? These are very legitimate questions, and they need legitimate answers.

The only answer to any of these questions is that the safest place to be is in the center of God's will. When we know what God's will is for us, we can be assured that there will be safety. Many people quote Psalm 91 as their protection, and that is true only if you meet the conditions. In verse 1 the condition is the word dwelleth. It does not mean an occasional visit, or a weekend getaway. It means to inhabit. To put stakes down and make it your dwelling place. This means being in the presence of God is a continual 24/7 relationship with God. This is where we find the will of God for us. This is where we find the peace that passes all understanding. In Psalm 91:9-10 it says, ***"Because thou hast MADE the LORD, which is my refuge, even the Most High, thy habitation; there shall no evil befall thee, neither shall any plague come nigh thy dwelling."***

Dwelling (inhabiting) is the key, dwelling in God's presence continually. The safest place to be is in the center of God's will and we only find out what His will is through being in His Word, and in His presence.
