BELIEVING THAT HE IS

An atheist came to a preacher once and asked him to show him God. The preacher was well versed in the scripture and told the man that he could not show him God. The atheist was confused and told the preacher, "I thought it was your job to show God to people."

The preacher told him that he could not show him God because he did not believe he existed. He then quoted Hebrews 11:6 where it says, ***"But without faith it is impossible to please him: for he that cometh to God must believe that he is, and that he is a rewarder of them that diligently seek him."***

A few years later this atheist came to the preacher again and told him that he believed God existed and to show him the way to him. The preacher did just that, and the man received salvation.

When someone does not believe God exists, they cannot come to know God. God rewards those who "diligently seek him." They have shut God out, and the hardest thing to open is a closed mind especially when it comes to spiritual things. Pray that those with closed minds towards God will have a change of heart. Prayer changes things.

Are you in that place where the atheist was? Are you on the fence with God? Are you wanting to know more about God? Then my advice is the same as that preacher's advice. Diligently seek after God. Study the scriptures for yourself. Pray, fast, and believe that God is, and that because you are seeking after him, you will be rewarded for it.
