YOU MAKE A DIFFERENCE

Sometimes we think we don't make a difference in the Kingdom of God. We think we must do something BIG, or be a preacher, or teacher, or even an evangelist. No, my friend, it doesn't have to be something spectacular. It is the little things that make a difference.

A great gift to the Kingdom is being faithful in your church attendance. It can be faithful with your money however large or small it is. It can mean picking up groceries for someone that cannot afford to buy them for themselves. It can mean giving someone encouragement when they have been depressed. It can mean praying for someone when they want to give up.

God is pleased when we just DO something. Faithfulness to your relationship with God, and reading His word, makes a difference in the Kingdom. Praying for each other and just letting someone know they are special makes a big difference to God.

You don't have to be the song leader, or Pastor, or Teacher to be make a difference to God. Remember, HE made you, and HE knows what a blessing you are in HIS Kingdom. Just letting people know that you enjoy being part of HIS family makes a difference in the Kingdom. Then being thankful for all He has done for you whether it is great or small makes a difference.

You are IMPORTANT to God, and to the Kingdom. You are making a difference!
