DUNAMIS POWER

Today we celebrate the birth of our nation, the United States of America. There will be parades, fireworks, speeches, and family gatherings to celebrate this event. What an honor to be part of a nation that came together and fought for its freedom. It took the mighty power of God to bring victory from the English Tyrant, King George III. There was war fought for our land, but the American patriots brought us victory in 1776 that we still enjoy today.

We have been a nation that has honored religious freedom, freedom of speech, the right to bear arms, and more. We are a republic that stood the test for nearly 250 years. We are at a crossroads now, with many wanting to take away our freedoms. Christianity is looked down on and sin is elevated. What is the solution? It is the dunamis power of God.

In Acts 1:8 Jesus said, ***“But ye shall receive power, after that the Holy Ghost is come upon you...”*** The word power comes from the Greek word “dunamis” which means miraculous power, strength, violence, mighty (wonderful) work. The word “dynamite” and dunamis come from the same root word. It means “very powerful.” Imagine having dynamite power in your life. It would change people from being complacent to having an explosive impact in their church and community.

I honestly believe we need that “dunamis” power in our lives today, and we receive it by being baptized with the Holy Spirit. Jesus promised it to the disciples and Peter preached in Acts 2:39 that this promise was not only those that heard him preach but for their children and ***“even as many as the Lord our God shall call.”*** It is yours for the asking!

When the church gets this power, it will take back what Satan has stolen and will bring our nation once again to righteousness without a tyrant called Satan working through the current leaders that want to destroy it.

I pray that you ask for this power and that you use it to bring our nation back to God. Then we will have something to celebrate!
