CHRISTIAN IDOLATRY
PART 1

As a teacher of God's written word, I must teach truth. As a "watchman on the wall," I must also give warning of danger. There are some teachings and practices in Christendom which are grossly in error. If I fail to teach truth or fail to give warning, then I have failed God in the office to which he has appointed me.

In view of that, today I must expose a false practice and teaching which has deceived millions in Christianity worldwide for many centuries. Please do not take it offensively if you are guilty of such practices. It is not my intention to offend, only to correct. This practice has to do with a violation of the first three of The Ten Commandments given by God in Exodus 20. They are as follows:

1. Exodus 20:3: ***"Thou shalt have no other gods before me."***
2. Exodus 20:4: ***"Thou shalt not make unto thee any graven (or molded) image, or any likeness of anything that is in heaven above, or that is in the earth beneath, or that is in the water under the earth."***
3. Exodus 20:5: ***"Thou shalt not bow down thyself to them, nor serve them, for I the LORD thy God am a jealous God visiting (avenging) the iniquity (perversity) of the fathers (forebearers) upon the children unto the third and fourth generation..."***

This third commandment indicates the possibility of a family generational curse upon the descendants of those who practice idolatry in violation of God's word and in direct offense of God almighty Himself.

Millions of Christians have violated these three commandments for hundreds of years. Oh? But how can that be true?

Tomorrow I will answer that question. If it happens to go against what you have been taught, then take it up with God and His written word. Ask Holy Spirit to help your understanding.

Many may not be offended yet may learn something. God's word is true, and Holy Spirit helps the understanding of the true believers of Jesus Christ.

The Holy Bible is God's written word. The truth that is in it is far superior to any church teaching or tradition. Read it, study it deeper, and meditate on it.
