THE SEVEN PRAYER MOUNTAINS – LESSON 6

BUSINESS

The fourth “mountain-like influence upon society” that we shall look at is business. Money is produced through business, and that money “moves” every aspect of a society. Without the “world of business” everything else would shut down and none of the other “mountains” could grow.

Most of the very large multi-billion companies are led by godless CEO’s and boards of directors. They contribute large amounts of money to anti-biblical causes. They promote policies and social agendas contrary to biblical values.

We need godly kingdom-minded business leaders to rise to the top of “big business.” They would carry great influence. We also need small business owners who would establish a “kingdom business” which contributes money to fruitful ministries and promotes righteous agendas and values.

Prayer points:

1. Pray that “God’s kingdom-minded” leaders will rise to the top of big business in each area of industry, that they will demonstrate integrity and will be creators of economic blessing, give liberally to community resources, and boldly speak up for righteousness.
2. Pray that the “little guy” (like you and me) will start new small businesses as “kingdom businesses” that will give God the glory and will contribute profits to godly purposes and that God would bless them and multiply them abundantly.
3. Pray against the harmful and ungodly businesses that perpetuate sin and hurt our society. This includes the drug trade, alcohol industry, abortion industry, pornography, and sex-trafficking industries. Pray that the demonic strongholds of those areas will be pulled down by the mighty power through the name of Jesus.

Every victory begins with prayer, then we must put our “legs” to work on it.
