GOD'S PLEASURE IN YOU

Psalm 147:11 says, ***"The LORD taketh pleasure in them that fear him, in those that hope in His mercy."***

The Amplified Verse says it this way, ***"The LORD favors those who fear and worship Him [with awe-inspired reverence and obedience], those who wait for His mercy and lovingkindness."***

We value the LORD, we value Jesus. But the LORD valued us so highly that the Father sent Jesus from heaven to earth to die for us so that we can be reconciled unto himself.

You might sometimes wonder about your true worth as a person. Guess what? To the Heavenly Father you are worth all the divine blood of Jesus.

If you love and honor the LORD, then you are worth more than all the created world to Him. Despite your failures and shortcomings, He loves you and has pleasure in you. Yes, you are clothed with the righteous garments of Christ Jesus, and that is how Father sees you, not as yourself or others see you.
