FATHER GOD IS LIGHT

1 John 15b says that ***“God is light.”*** Verse 7 goes on to say, ***“If we walk in the light... we have fellowship one with another, and the blood of Jesus Christ His Son, cleanses us from all sin.”***

This means that as believers, the light of the Father is within us through Jesus. That light is the God-light within us. Every born-again believer has this light.

In Matthew 5:14 it says, ***“You are the light of (and to) the world.”*** Verse 16 says, ***“Let your light so shine before men (so) that they may see... and glorify your Father which is in heaven.”***

When sinners can see the light of God in us, they are drawn to that light.

Do not live, act, or speak in such a way as to squelch the light. The light of Christ in you might be the only testimony a sinner may receive.
