I know that you can't fully understand everything that happens to, around and in your life all the time; It's ok...We none can. You just remember that nothing happens by accident in the life of a true child of God. Therefore, you'll need to simply step yourself and your opinions about the situations and the people totally and completely aside and away from it all. Then determine in your heart to fully follow God in the matter. Lastly you must allow Him to be the sole director in the play on the stage of your life. "In all your ways acknowledge Him, and He shall direct your paths". (Prov 3:6) Oh, and by the way don't ever forget the following...When you start your messing God stops His blessing; But when you allow God to start His messing then you will stop your stressing.
