WHAT WE SHOULD SEEK AFTER

One of the verses that I memorized as a young man was Matthew 6:33 which says, ***“Seek ye first the kingdom of God, and His righteousness, and all these things shall be added unto you.”***

What things? It would be all our material needs (vs. 31) including: food, drink, clothing, and all the necessities of life. God knows everything we need. (vs. 32.) But what are we to focus on?

We are not to focus on our carnal needs. We are to seek after or focus on our spiritual needs. We are to focus on the Lord, His Kingdom, His righteousness, and to live in holiness unto him. If we look after the spiritual, He will take care of the carnal needs on our behalf.

Do you trust Him for that? Proverbs 3:5-6 says, ***“Trust in the Lord with all your heart and.... He will direct (take care of) your path.”***

If He takes care of the sparrow and tends to the lilies of the field, then we can be confident all the more that He will take care of us. Trust Him and give Him praise. He is your provider.
