FEAR NOT

Have you ever wondered what it was like the night that Jesus was born? We learn a lot about it when we read the scriptures.

It must have been terrifying to the shepherds when they heard the angels speak. They were told to fear not. Yet, many of us fear like they did.

We lose sight of the promises of God when the noise of the world seems to drown them out. We must always remember that Jesus came for a purpose, and that was to seek, and save those that were lost.

Yes, he came as a babe, but he left earth as a man, full of the Holy Spirit, and He is coming again in power and might. We are thankful he was born, because it fulfilled scripture, but the same angels that said fear not to the shepherds say that to us today.

Fear not the report of the doctors when it is not good. Fear not when you lose your job and there is no income. Fear not when no one is there for you but God.

God is aware of what is going on in your life, and He will bring you peace, through the Prince of Peace.

Fear not my friends. Emmanuel, God with us, cancels out fear when we trust Him!
