FORGET NOT ALL HIS BENEFITS

I worked for a Fortune 500 Company for over 25 years. This company had some amazing benefits. When I had my last child my insurance benefit paid 100% for everything. The Doctor, the hospital, the meds, everything. When I pre-registered at the hospital they wanted some money up front. I told them that it would be paid in full. They told me that no insurance did that. I said look at my card. Then, with a surprised look they said, "it pays for everything." I knew this, but they had to see the proof. This company had amazing benefits.

Did you know that besides salvation that God has benefits that are greater than any Fortune 500 Company? Many don't believe it unless they see it, just like that hospital employee, but they are ours through salvation. In Psalm 103 it lists some of them. We are told in verse 2, ***"bless the LORD, O my soul, and forget not all his *"benefits".*"*** It then tells us what some of them are:

- He forgives ***all*** thine iniquities (verse 3)
- He heals ***all*** our diseases (verse 3)
- Who redeems our life from destruction (verse 4)
- Who crowns us with lovingkindness and tender mercies (verse 4)
- Who satisfies with mouth with ***good things*** (verse 5)
- Thy youth is renewed like the eagle's (verse 5)
- He executes righteousness and judgment for all that are oppressed (verse 6)
- He hath not dealt with us after our sins, nor rewards us according to our iniquities (verse 10)
- Our transgressions have been removed as far as the east is from the west (verse 12)
- He pities those that fear him like a father pities his children (verse 13)

Now there are many more benefits that we get when we give our lives to God. The best part is he paid the "premium" for these benefits. It costs us nothing to receive them. We obtain them by faith.

If you aren't walking in these benefits, then you aren't living the life that God provided for you. He wants you to be benefitted my friends. So, receive these benefits by faith, and enjoy them.
