FIND YOUR PASSION AND YOU WILL FIND YOUR PURPOSE

In Proverbs 23:7a it says, ***“For as he thinketh in his heart, so is he.”*** This is a vital part of our life. We become what we think about. Whatever dominates your thoughts will eventually become the reality you live.

It is so important to think the right thoughts my friends. You must not let the failures and victories of the past control your mind. You must keep your thoughts under the control of your spirit. Let your Spirit lead you, not your soul. When you develop the right thoughts and become passionate about them then you will determine your purpose.

Many people never find their purpose because their minds are full of “what ifs” and “I should haves”, or “I hope so’s” or other trivial things that will not bring victory.

What is it that gives you the greatest sense of joy? Is it being a Mother or Father? Then, be passionate about it and make that your purpose. Is it being a Teacher? Then be passionate about that and get the education you need to become the best teacher ever. Do you have a passion to minister? Then find a Pastor that will mentor you and allow you to become the person that God has called you to be.

Many procrastinate and never fulfill their passion (purpose, destiny). They think about it but never act on it. There must be more than thoughts my friend. You think it in your heart, then as God leads you, you put it into action. Many blame others for never fulfilling their passion, but it all goes back to us. We cannot blame anyone for not fulfilling what our destiny is. Our purpose is our destiny.

So, change what you are thinking if it isn't advancing your purpose. Put thoughts that are not bringing life to death and think on the things that are mentioned in Philippians 4:8 which says, ***“Finally, brethren, whatsoever things are true, whatsoever things are honest, whatsoever things are just, whatsoever things are pure, whatsoever things are lovely, whatsoever things are of a good report; if there be any virtue, and if there be any praise, think on these things.”***

As you think on the right things, your life will change. Let the past go. Today is a new day to start fresh with the focus to fulfill your purpose in life.
