WHEN ALL ELSE FAILS, PRAY

I have heard it said many times, “When all else fails, pray.” Now, these are nice people that have said this, but they have it all wrong.

Prayer should not be our last consideration. We are to live a continuous lifestyle of prayer. Prayer is simply talking to God and waiting with expectancy for him to answer.

Prayer is one of our offensive weapons against our adversary, the devil. In Ephesians 6:18 it says, ***“Praying always with all prayer and supplication in the Spirit, [tongues] and watching thereunto with all perseverance and supplication for all saints.”***

James 5:16b says, ***“The effectual [unceasing] fervent prayer of a righteous man [woman] availeth much.”***

Prayer should be the very first thing we do when we have a problem. I can attest to you that prayer changes things. I have seen it stop tornadoes. I have seen it heal the sick. I have seen it cast out demonic spirits. I have seen it miraculously supply every need I had.

Do not limit yourself to that old adage, “when all else fails pray.” We serve a mighty God that hears and answers our prayers! And might I add, don’t wait for someone else to pray when you have been given authority through the name of Jesus to pray yourself!
