YOUR WORTH

So often we determine our worth by what others say about us. We also determine it by the works that we do for our family, our church, and our friends. Our worth is not determined by what we do my friends. It is determined by what Jesus Christ did for us.

You see, when we were sinners, He died for us. Not when we did the right things, but when we told that "one" lie. When we stole that "one" penny. When we cheated on our taxes, or we gossiped about someone.

Worth is not based on works. It is based on the love that God has for us. We could be the vilest person that ever lived, but God would extend his love to us and all we must do is reach out and receive it. That worth took every drop of blood that Jesus shed. Yet, out of love he did it for each of us.

When you think you are not worth anything, think again. You are worth everything that Jesus had to give, and that is a value beyond anything we could ever imagine. So, quit valuing yourself based on what you do, and base it on what God did for you!
