A WORD

Many are looking to prophets to “get a word”. I must attest that I move in these gifts, but true prophets cannot give a word unless God gives it to them first!

We are living in an age where there is a spiritual imbalance in the church. Many seek after “a word” instead of seeking “the word” which is Jesus, revealed in the scriptures. We are told in II Timothy 3:17 that ***“the man of God may be perfect (mature) thoroughly furnished unto all good works.”*** How do we get to that point? We get it through II Timothy 3:16 where it says, ***“All scripture is given by inspiration of God (God breathed) and is profitable for doctrine (teaching), for reproof, for correction, for instruction in righteousness.”***

Again, in II Timothy 2:15 it tells us, ***“Study to show thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth.”*** This scripture was sent to Timothy, who had been brought up in the things of God, and later became an Apostle, and Pastor. If he needed to study before his advancement in the kingdom, then we should too.

In our newsletters we put in a lot of Bible trivia questions. It is astounding to me how little people know the Word of God. Is it no wonder that we have the problems in the Church and in the world when we don’t know what God has to say?

The Word of God is a sword. It can be used to cut away sin or cut off the enemy. You need to know which way to use that sword. My word for you today is if you want a Word from God, then read His Word and read it again and again until you have it tucked into your heart as a weapon. This and this alone will make you victorious.

On a closing note, there have been many “prophetic voices” this past year, and not all of them heard from God. Many are still fighting over some of their “prophecies.” Remember, prophets are humans and make mistakes. Don’t go looking to a prophet for guidance. If they prophesy out of their flesh and you follow that “word” you may well find yourself in a place you truly don’t want to be in.

God is not the author of confusion my friends. Get to know Him yourself through His Word and you will truly not regret it.
