WHAT IS YOUR PASSION

If you watched the movie “The Passion of Christ” then you know that Jesus’ passion was to come into the world and to die for the sins of mankind. He set his face like a flint for this purpose. Yes, there was the time in the garden that He asked the Father if it were possible to remove the cup from Him, but His prayer ended with **“Nevertheless not my will, but thine, be done.”** He knew his purpose and He fulfilled it.

Whatever it is that causes you to get up in the morning and just “be” is your passion. If it is being the best mother that you can be then you will be “passionate” about it. If you are a teacher then be passionate about it. You may never have children or be married but have sought a career that God has led you to. Be passionate about it. Give it your all.

When we know the will of God for our lives, then we must be passionate to do everything in our power to bring it to pass. Like Ephesians 6 tells us, in verse 13b it says, **“...having done all, to stand.”**

Some are called to great things in the eyes of the world like Fortune 500 businesses, while others are called to raise the child that will be the next President. We should never be envious of someone else’s assignment because it takes every “call” to represent God.

Someone has the call to be passionate in the marketplace, while others in the classroom. Some are caregivers in hospitals and nursing homes. Some are childcare providers, while others are writers. Whatever the call, do it with the same passion Jesus had. Lay down your will and surrender it to God’s will, and you will find your life will be fulfilled.
