A VERY PRESENT HELP

In Psalm 46 we see the sovereignty of God as He takes care of his children. In verse 1 it tells us, ***“God is our refuge and strength, a very present help in trouble.”***

We can count on God being there for us in the “now” and not just the “sweet by and by.” Because of this promise we move to verses 2-3 that says, ***“Therefore will not we fear, though the earth be removed, and though the mountains be carried into the midst of the sea; 3 Though the waters thereof roar and be troubled, though the mountains shake with the swelling there.”***

This lets us know that despite terrible natural disasters like Tsunamis, earthquakes, and flooding God is our “present help.”

Verse 5 says, ***“God is in the midst of her (the city of God) she shall not be moved: God shall help her, and that right early.”*** Oh, to know that God is in our lives and is our help right now brings us to verse 10 which says, ***“Be still, and know that I am God: I will be exalted among the heathen, I will be exalted in the earth.”***

No matter what comes our way, the Lord is with us all the way. He is our constant source of strength, and a very present help in times of trouble. Therefore, we should never fear, knowing that God is with us!
