NOT THE REPLY I EXPECTED

I remember the day that I was worshipping the Lord and said, "Lord I want to be more like you".

He responded with "lay down on the floor."

I said "on the floor, Why?"

"Then he followed and said, "So I can crucify you".

There weren't any instructions on walking on water, opening the blind eyes, laying hands on the sick, breaking bread and multiplying it, no fishes multiplied, just crucifixion.

Most of us like the warm feelings of God's love but the crucifying of the flesh is painful and is daily. Most are never taught the necessity of this part of the walk. Are you willing to pay the price? It will mean death to the flesh and being alive in the Spirit.

Christianity isn't a game. Ask any martyr.
