CENTER OF THE BIBLE

The Holy Bible is the infallible true word of God, including both the Old and New Testaments. But what verse is at the exact center of the Bible? Just how important is that verse?

The center verse is Psalm 118:8 which says, ***“It is better to trust [take refuge] in the LORD than to put confidence in man.”***

When we look to people as our support, at times we may be let down or be disappointed, or perhaps even betrayed. When God is our refuge [in Him we trust] He will never fail us or let us down. One must do as Proverbs 3:5 says [NKJV], ***“Trust in the LORD with all your heart, and lean not on [yourself or anyone else].”*** Verse 6b says, ***“... and He shall direct your paths.”***

It is human nature to reason things out for oneself. That can lead to mistakes or letdowns. We must seek the LORD’s wisdom, and let the Holy Spirit guide you. He will preserve you and keep you on the right track because He is all-wise.
