WHERE IS YOUR CONFIDENCE

Psalm 118:6, 8-9 reads, ***“The LORD (JEHOVAH) is on my side. I will not fear; what can man do to me. ...It is better to trust the LORD than to put confidence in man. It is better to trust the LORD than to put confidence in princes (rulers).”***

When you truly trust the Lord in all things, He will come through for you. He is “an on-time God.” We may get anxious (needlessly) or impatient (foolishly) because his timing may not be our feeling of what the time should be, but He never fails us. When we become anxious, impatient, or worried, it is we who are failing. We fail to trust Him.

When God is on our side, victory will be ours. If we put our hope for help in people, they may fail us. If we put our hopes and our needs in the hands of government leaders, we may or may not be benefited by it.

Do not trust the government for what you need. Do not trust family, friends, or other people for what you need. Trust God: He is the One on your side. He is your “daddy,” Abba. He knows your need even before you know it.

Put your full confidence in Him alone.
