ALL WILL BE SHAKEN

Many are going through enormous shaking in this season. Jobs are being shaken, marriages are being shaken, finances are being shaken, churches are being shaken. Health is being shaken, and faith is being shaken. Many are asking "what is going on?"

In Hebrews chapter 12 Paul wrote to those that were Jewish believers speaking of Jesus being the high priest and the mediator of the new covenant. Many did not understand this, because they were still doing things required under the law. In verses 25-27 it speaks of a shaking when it said, ***"See that ye refuse (disobey) not him that speaketh. For if they escaped not who refused him that spake on earth, much more shall not we escape, if we turn away from him that speaketh from heaven. Whose voice then shook the earth: but now he hath promised, saying, 'Yet once more I shake not the earth only, but also heaven.' And this word, yet once more, signifieth the removing of those things that are shaken, as of things that are made, that those things which cannot be shaken can remain."***

God is shaking things out of our lives that keep us from fulfilling his plan for us. If we are not willing to give up these things, you can be sure he will shake them out anyway. What is happening in the world could be called the "big shakeup." According to the above verses, not just the earth will be shaken, but the heavens will be shaken too. Revelation tells us of a star, (or comet or asteroid) that will hit earth. (Revelation 8:10.) It will be shaken out of its orbit to come into our atmosphere and bring great destruction.

God is shaking churches to wake them up to the season we are in. Jesus is coming back for a bride without spot or blemish. He is shaking out those spots and blemishes that must be shaken in believers all over the world. The shaking is for our good, my friends, to get rid of those things that are hindering us in our walk with God.

God is shaking up relationships. There will be many that thought being with certain people was okay, but God is saying no, they will be shaken and removed out of our lives. Do not be surprised when the shaking hits your life. It must happen to bring purification to each of us individually.

America has been shaken to the core, with the upcoming election, the plague, the mandates, continued chaos and more. There will be more shaking to bring us to repentance. It must happen.

Do not look at this as a bad thing. God is shaking the world to sift the wheat from the chaff. Without this shaking there would be sin "in the camp" and he cannot allow that.

So, when the shaking comes your way, spend time with God to see what you can do to bring change in your lives. Be willing to let things go that hinder you. You may see them as a small thing, but with God there is nothing small when it comes to obedience. Be willing to let them be shaken out of your life, and you will see things change for the good. Then what is left will be what can't be shaken and will remain.
