INTENSIFY

As we study the word of God about end times, we see that there will be wars, earthquakes, floods, fire, death, and destruction. We are seeing much of that happen as I write this. The earthquake uptick has increased exponentially, and we are seeing numbers continuously like we have never seen before.

Leaders of countries talk of peace and prosperity, and that they have a plan to make things better. Yet, when we hear those words “**peace and safety** [prosperity]” we must turn to the word of God. 1 Thessalonians 5:3 says, “**For when they shall say, ‘Peace and safety’; then sudden destruction cometh upon them, as travail upon a woman with child; and they shall not escape.**”

We are living in perilous times with plagues, control, outlandish spending and out of control cost of living. Scriptures are being fulfilled.

Yesterday a major earthquake hit Russia and sent out a tsunami that could have brought tremendous destruction. This morning the Lord spoke to me and said that things would “intensify” and not get better.

Are you prepared for these intensifications? Are you ready for violence in your neighborhood? Are you ready to be persecuted for Jesus’ sake? Are you willing to die for Jesus?

I do not bring this message to bring fear. I bring this message to warn the body of Christ that things are going to get worse. August is a month that will bring much sorrow. Be prepared my friend. Spend time with the Lord, and do not take this message lightly.
