MORE THAN ENOUGH

In Exodus 35 Moses had come down from God with the pattern for the building of the tabernacle. God was very specific in the way it would be built. Everyone was involved. Some brought fabric they had spun of blue, purple, and scarlet and fine linen. Others brought their gold and precious jewels to be used in the tabernacle. It says in verse 21, ***“and they came, everyone whose heart stirred him up, and everyone whom his spirit made willing, and they brought the Lord’s offering to the work of the tabernacle of the congregation, and for all his service, and for the holy garments.”***

They brought so much stuff, that in chapter 36:5 ***“The people spoke to Moses, saying ‘The people bring much more than enough for the service of the work, which the Lord commanded to make.’”***

Can you imagine a ministry that has “more than enough” to do everything necessary for it to be successful? It would take everyone doing their part, just like it did with Moses in the wilderness. There would have to be a heart that was stirred up to give. There are some churches that have had this happen, but other ministries have to beg for help. Why? Because the people didn’t have a willing heart.

It takes this willing kind of spirit to get to a place where there is “more than enough.” Now, I am not just speaking about money. I am talking about anything that needs to be done. Little things are just as important as big things. When this kind of spirit takes over a ministry nothing can stop it as long as they continue in unity.

I pray that you have that willing kind of spirit wherever you attend church. If you don’t have a church, then find a ministry that is doing something for God and “get on board.” Don’t lose out!
