YOUR LIFE IS NO SURPRISE TO GOD

Often you hear people say that they were “a mistake.” This usually happens after they have experienced an emotional setback or are treated in their family or others with disrespect. Yet, life, which is given by God is no mistake.

In Jeremiah’s case, God spoke to him and told him in Jeremiah, 1:5, ***“Before I formed thee in the belly (womb) I knew thee; and before thou camest forth out of the womb I sanctified thee, and I ordained thee a prophet unto the nations.”***

God had a purpose before Jeremiah was created in the womb to be a prophet. Like Jeremiah, God has a plan and a purpose for each of us. (Jeremiah 29:11)

Some people think that they were a mistake because they were the result of rape. Others think they were not wanted because they were given up for adoption. None of the things that brought us into the world change the fact that God has a plan for us. It was your destiny to be born when you were born, and the circumstances of that birth do not change that destiny.

Nothing that happens to you comes as a surprise to God. He ordained your life before you were even thought of.

The next time you think that you are an accident, or a mistake, remember by stating this you are making God a liar. That is strong, but if you don’t believe you were created by God for here and now, you are contradicting what God says.

When we don’t seek God, we will go the way of the world, and we deliberately choose to go against the plan has for us. Many lives are destroyed because they have bought the lie from Satan that they are a mistake and follow Satan’s tormenting voice instead of the voice of God.

The next time that you think that you are a mistake, remember that you are a one of a kind miraculously made individual created by God. God loves you and has a great plan for you. Just spend time with him to find out what that plan is. I guarantee you will not be disappointed.
