LASCIVIOUSNESS – LUST

Ephesians 4:17-19, ***“...walk not as other gentiles (unbelievers) walk...having the understanding darkened...who being past feeling have given themselves over unto lasciviousness, to work all uncleanness with greediness.”***

Lasciviousness: Lust.

I Timothy 6:10, ***“For the love of money is the root of all evil.”***

We often think of lust in a sexual context, but the greatest of lusts (lasciviousness) is far more sinister than that. Lust for money and for power is the most destructive force in humanity. Money gives power. Power gains money. They feed each other. Greed drives them both. The more money one gets, the more they lust for it. The more power one gets, the more power he lusts for.

Isaiah 56:11 says, ***“Yea, they are greedy dogs which can never have enough.”***

This corona virus pandemic lockdown and the violence and rioting is setting the stage for the lawless one to come on the scene. There are those who are prepared to profit enormously from it, selling a vaccine and tracking I.D. worldwide for 7.5 billion people. The power of governments will force people to take it, making them even more powerful. Greed for money. Greed for power. A very strong demonic force is driving it. It is part of Satan's plan.

We must pray against this strong spirit of greed. Intercessors, you must stand up and step into the gap to block this spirit of greed and the lust for power and control. To do nothing is to give it over to the oncoming lawless one.
