THE LITTLE THINGS

Have you ever complained? I am sure like me that there have been times that you have done that. We often forget all the little things that God does for us. Here are a few things that we can be thankful for that cost us nothing.

Rain when the ground is parched.

Sunshine instead of flooding.

A songbird that flies into your yard singing praises to the God that created him.

Eyelashes that keep the dust out of your eyes.

A tongue that allows you to chew and speak.

Sight to be able to read this message.

The ability to laugh at ourselves when we make dumb mistakes.

The ability to cry with a friend when they are hurting.

Hearing the cry of a newborn baby, knowing they made it into this world.

Holding the hand of a loved one.

There is a myriad of little things that we take for granted but if we started writing them down, there are more things to be thankful for than to complain about. Why not make a list of things so on days that you feel like complaining you can remember what God has done for us. He deserves to hear our heartfelt thanks!
