BE PREPARED

Eyes have been watching the Canadian Trucker's as they are protesting against their tyrannical leader, Trudeau. Word is that Trudeau will freeze their bank accounts, making it impossible for them to buy anything. Meanwhile the truckers are singing praise and worshipping in front of the Canadian Parliament. They are like none other that have risen in the last two years of lockdown around the world. They are making a statement for their beliefs and the world is listening. We must pray for them and that their Canadian Prime Minister will relent.

On March 15 American truckers are going to band together and do the same thing as their counterparts have done in Canada. They plan to drive from California to Washington, D.C. with the hopes that it will wake up governmental leadership in the United States to stop all the mandates. One of the truckers has put a word out that we, Americans, must be prepared for empty shelves in the grocery stores and to prepare for this.

How do we prepare? The first thing is to pray for these truckers that they will be protected and safe. It is not a violent protest, but we know how the enemy will try to make it violent. Then, we must prepare for our own homes and families. The shelves in the grocery stores may be empty for a while, so you must prepare for this with putting back enough food to last for a while. It may be a month, or it may be longer.

Some of the things that you should get now and have on hand are: your car filled with gas; medicine; canned goods; toilet paper; soap, bottled water if you use it; and other essentials that may not be available. Having lived through several hurricanes, I can attest that when the shelves in the stores are empty that tempers will flare, so it is better to be prepared ahead of time than go and be unable to get things.

God has promised to take care of those that trust in him. Proverbs 3:5-6 tells us to ***“Trust in the Lord with all your heart and lean not unto your own understanding. In all thy ways acknowledge him and he shall direct your paths.”*** When we put our trust in God we cannot fail!

Have no fear while this demonstration takes place. Keep in an attitude of praise and worship and know that God is with you!
