DESTROY THE SEED – SATAN’S MASTER PLAN

If you had an enemy and you were told what they were going to do to take you out would you do something about it before it happened? Well, I don’t know about you, but I would. I would come up with a plan to destroy my enemy’s plans before they destroyed me.

This is just what began in Genesis 3:15. After Satan was cursed by God for deceiving Adam and Eve, God told him: ***“and I will put enmity between thee and the woman, and between thy seed and her seed; it shall bruise thy head, and thou shalt bruise his heel.”***

Enmity is defined as hostility or hatred. Satan hates the seed of the woman. He tried to destroy it through the murder of Abel by Cain. If there is no seed of the woman, then there will be no fulfilling of the prophesy that God gave.

Later, when the Hebrews lived in Egypt and multiplied, Satan used Pharaoh to destroy all the male babies in Egypt. All but Moses, were destroyed because God preserved His seed, and His promise. In the story of Jesus birth, King Herod had the babies killed then too, but Joseph and Mary with baby Jesus escaped.

You see, if you destroy the seed then there is no way to produce the prophesy, and no prophesy fulfilled means that God is a liar. Now, we know that God can’t lie, but there is a real enemy. Bál was a “seed of Satan”, that was a false god. One of the things the people that served Bál did was to sacrifice babies. Satan is called a thief in John 10:10. It says, ***“The thief cometh not, but for to steal, and to kill, and to destroy...”*** This is why Satan does these things. He is after the seed.

This is what abortion is about. Satan wants to destroy the seed. Jesus is the living seed planted into each of our hearts at salvation. Satan wants to destroy its fruitfulness. This is his plan, but God wants us to choose life. Our country will be judged because of what we have done to the unborn, helpless babies that have been murdered by the millions. If you have had an abortion and asked for forgiveness it is washed away through the blood of Jesus. You will see that child again if you are saved.

Perhaps God has given you a vision or a calling, but it isn’t working out. It isn’t God trying to stop it my friends, it is Satan trying to destroy the seed before it brings forth fruit! We should not be ignorant of his devices. He has not changed since he was in the Garden of Eden. His plan is never for good.

Satan comes to destroy the seed (word of God) within you with discouragement, discontentment, depression, and debate to keep you from growing in your walk with God. You must always protect the seed of God. It must be watered daily by reading the word of God. It grows by faith, and faith comes by hearing the Word of God. Satan will keep you from reading the Word by distractions and more. Don’t let it happen.

The promise to Eve was that her seed would bruise Satan’s head. The only thing Satan should ever see is the bottom of our foot as we step on his head. You do this through the promises of God, which are all seed. Speak the promises out and victory is yours!
