SPEAK WORDS OF FAITH

We read in Job 4:25-26a where it says, ***“For the thing which I greatly feared is come upon me. And that which I was afraid of is come unto me. I was not in safety, neither had I rest, neither was I quiet.”***

When we base our decisions on the bad things that “might” happen, we are opening a door to allow it to happen. When we are not quiet in voicing our fear, but voice our fears, we are putting dangerous words into the air, into the spirit realm. Satan then has a legal right to use them against us when he goes to God as our adversary.

We must trust God with all that we do. He will watch over those who fully trust Him. Speak the word of God over yourself. Speak His positive promises over yourself. Look to His strength and His promises to protect you. Do not allow fear to control you.
