LEFT VERSUS RIGHT

Our nation is severely divided both politically and socially, and even religiously. Humanism and post-modernism have brought forth a very liberal mindset. The liberals are referred to as “the Left.” Those of conservative values (traditional) or biblical values are called “the Right.”

The Left is actively trying to tear down everything that the Right stands for. They are “preaching” the critical Race Theory that all whites are inherently racist. They shed innocent human blood by killing our babies in the womb, or sometimes when it was just born alive. They strongly support the homosexual agenda including the “right” to choose your own sex or to marry someone of their own sex. They deny the authority of the Holy Bible. They deny that God should even be acknowledged.

The Right is exactly opposite of this and defend the values we have for centuries lived by. The Right acknowledges our Judeo-Christian background.

So why are the two called Left and Right? It is because the “Left is Wrong” and the “Right is Right”! How can I say that? What is my authority to make such a statement? Well, look no further than God’s own written word, the Holy Bible.

Ecclesiastes 10:2 says, **“A wise man’s heart is at his right hand, but a fool’s heart at his left.”** The Bible tells us in many places that a wise man gives heed to God’s ways and God’s word. It says a foolish man follows his own ways and does that which is right in his own eyes.

In America it is commonly known that the Democratic Party is “the Left.” The Republican Party is seen mostly as “the Right.” There are individual exceptions in both parties, but the official agenda of the two parties defines the Left versus Right extremely well.

How are we individually told to deal with this division? Once again in Ecclesiastes 10:4 it says, **“If the spirit of the ruler rise up against thee, leave not thy place (i.e., make a stand), for (because) yielding pacifieth great offences.”** In other words, stand up for what the Bible says is right, because if you try to pacify the Left, it will allow them to get away with great offenses.

Verse 5 goes on to say, **“There is an evil... which proceedeth from the ruler.”** We must take a stand against the evil that is even being passed as the law of the land by our current Leftist Administration in America.

We must pray, pray, and pray some more. Then **do** whatever else you can see to do. Holy Spirit can help you to “see” what else it is that you can do.
