**THE REMNANT**

**There is a remnant of God that will be used in the last of the last days.**

**How do you know if you are part of the remnant? Those of the remnant have no fear of death. They have no fear of man. They aren't easily offended and will do what God says without any hesitation. They are usually not just the leadership in the church. They are the ones that have relentlessly pursued God and will not settle for anything less than his blessing like Jacob of old that became Israel. They will rise to the occasion and have the fire of God upon them to do great exploits. They will be used mightily by God to usher in the return of the Lord. They will be valiant like John the Baptist. They will not be deterred by their age whether they be a young Samuel or be an ancient Daniel. They are fully armed with the armor of God, standing fully clothed and ready for battle. They are the remnant.**

**They have denied the world and have taken up the cross. They have sacrificed over and over again to do God's will no matter what the cost. They are mighty through God and anointed for such a time as this. They are the ones that have stayed in the presence of God when others left. They hungered after righteousness, and they are full. They have sought God in the night hours when others slept. They listen and obey because they know there is no other way.**

**The remnant is here, and they are rising up throughout the world to be used in this hour! I pray that you are part of that remnant that says, no turning back because I have burned all the bridges and there is nothing there! Be the remnant!**
