GOD'S TIMELINE

Almost two weeks ago the Lord spoke to me so clearly. It was when the riots first started. He said that the spirit of lawlessness had been unleashed. I wrote about it a while back. In studying it the scriptures took me to II Thessalonians 2:7 that says, ***“For the mystery of iniquity doth already work...”*** the word iniquity means lawlessness. It is also used in Matthew 24:12 where it says, ***“And because iniquity shall abound, the love of many shall wax cold.”***

The love of many shall wax cold is so evident right at this time. There is division in the Church like I have never seen over issues like abortion and homosexuality, which should not be an issue. They are sin! Man was not born a homosexual. Man was created in the image of God! Now, the riots over “black lives matter” has escalated into more than a person murdered by a police officer, it has been turned into a racial war. Now all over the country they want to defund Police Officers because of the brutality of a few. This is lawlessness like we have never seen.

The verses before and after this one about lawlessness continue to tell us about the times we are in. It says in v. 3 ***“Let no man deceive you by any means: for that day shall not come, except there come a falling away (apostacy) first, and that man of sin be revealed, the son of perdition.”*** v. 8 says ***“and then shall that Wicked be revealed...”*** That word wicked means lawlessness.

This morning I heard the Holy Spirit very clearly again. He said that the Son of Perdition was about to be revealed and that there would be deception like there has never been before. He will not come on the scene with fear. He will come on the scene with a plan for peace. People will flock to follow him, thinking he has the answer. Everything that has been going on with the “pandemic” and the rioting is staged to put him into place. Yes, the Antichrist is about to be revealed and bring forth his agenda. It will start out like the answer to all the world's problems, but within a few short years this person will reveal his truth character and it will be the worst time to be alive for those that love God.

Do I believe we will be out of here before this takes place? I used to, but the more I have studied the more I feel we will be going through those evil days. I won't debate you if you don't believe this way. One thing is for sure, and that is Jesus is coming back regardless of when. Are you ready?

For the last many years God has said prepare, prepare, prepare, and draw near to me. This is the message I have preached, and I still preach. If the days of the Son of Perdition are at hand, we must be right with God, and continuously stay in the Secret Place of the “Most High.” There is no time to play games, for our lives will be on the line. Do not put preparation off thinking you won't be here to see those days. Prepare as if it will happen, and if it does not you will not have to worry about it! If we think it was bad in Germany for the Jews, it will be bad for

Christians in the same way. Are you prepared for the persecution? I believe before the year is out there is going to be a lot of things that change. I pray that you are ready for them. If not, start now!
