HAPPY THANKSGIVING

With chaos, war, earthquakes, volcanoes and violence going on throughout the world, it would be easy to forget all of the things God has done for us. The uncertainty of the future without God in one's life is very dim for those that are lost.

For those that know the Lord, we know that even if we leave this present world, that the Lord Jesus Christ will receive us unto himself. This alone brings joy and comfort to us. Psalm 108:1-3 says, ***"O God, my heart is fixed (positioned upon God). I will sing and give praise, even with my glory. Awake, psaltery and harp. I will awake early. I will praise thee, O LORD, among the people. And I will sing praises unto thee among the nations."***

We give praise to God for those of you that read our newsletter and support us in prayer and with your finances. We thank God for each of you. May this day be one of great thanksgiving for you as you remember all that God is doing and has done for you. God has been merciful to each of us to give us so much each day.

Have a blessed and Happy Thanksgiving.
