SIGNS OF THE TIMES

Many old sayings that we have heard, and are true, have their origin in the scriptures that bring much wisdom. One such truism [saying] is “Red sky in the morning; sailors take warning. Red sky at night; sailors’ delight.” The Mariners [seamen] must pay careful attention to weather conditions. They must discern the “face of the sky.”

That saying from the mariners is found in Matthew 16:2-3 where Jesus says to the Pharisees, ***“When it is evening, ye say, ‘It will be fair weather, for the sky is red.’ And in the morning, ‘It will be foul weather today, for the sky is red and lowring.’ O, ye hypocrites, ye can discern the face of the sky, but can yet not discern the signs of the times?”***

People who are spiritually blind cannot understand or discern the signs all around them that are spoken of in the bible. They see natural disasters as events of nature. They might even call these disasters as an “act of God” for insurance purposes, but they fail to see them as actual judgments from God upon a sinful city or nation. Yet there are many “natural” events that are signaling end time judgment. God places his warnings all over his creation whether on earth or in the heavens above.

Signs of the times can be found in Matthew 24 and Mark 13 and all throughout the Book of Revelation.

Wake up you “sleepy Christians” and recognize the signs of the times which are all around us. Read your bible and ask the Holy Spirit to show you the deeper meanings.

Yes, you can ask that directly of the Holy Spirit. He is our Guide, our Comforter, our Anointing, the Revealer of Jesus, and the Word. The Holy Spirit will bring you greater awareness and understanding... if you ask Him.
