ISOLATION BRINGS INSULATION

Earlier this morning the Lord spoke to me and said, "Isolation with me will bring insulation from Satan." This statement is so true.

I see it like a mother hen with her chicks. They are gathered under her wings, protecting them from the predators. As long as they stay in that safe place they do not have to fear.

A true story was told of a forest fire. The fire was put out and the firefighters found a charred chicken. As they moved her charred body, there were baby chicks under her that survived the flames.

This is what God has done for us. He gave his life for us and now according to Psalms 91:4 it says, ***"He shall cover thee with his feathers, and under his wings shalt thou trust: his truth shall be thy shield and buckler."***

We never have to be afraid when we stay isolated with God because he insulates us from all danger.
