WE ARE IN A WAR

If we were able to look into the spirit realm, we would see angels and demons. (I have seen both.) There we would see battles going on. You can be sure if you want to make a decision to serve Christ through salvation or if you have already done that, then Satan will try to stop you any way he can to destroy your life. He is not one that plays according to the rules, although he is a legalist.

Often words we speak give him authority to do the “dirty tricks” that he does. He goes before the Father in the throne room daily accusing the “brethren” of their deeds. Yes, sin opens a gate legally, but often, we do not realize that negative words spoken over ourselves can open the gate also for Satan to destroy us. We must guard our mouths at all time, and never speak words of death.

I have a real issue with people that wear clothing that have skulls and other demonic symbols on them. By putting these on our bodies we are speaking death over ourselves. Many are sick because they have done this. It may not happen immediately, but it will surely happen. Then, when we speak words like “It is never going to change”, we are speaking death over our situations also. Another example is “they are just like their father.”

We are in a war my friends, and our words are weapons used to win or to lose. Do not take it lightly. In Psalm 141:3 it says, ***“Set a watch (guard) over my mouth; keep the door of my lips.”*** In modern English I might interpret it as “Put a lock on my mouth and keep it shut.” Satan is looking for opportunities to use against us. Don’t give him any fuel!
