EXTREMES

Early this week I heard the Lord speak and say extremes. He went on to show me that there will be extremes for both good and evil.

The evil will increase with signs and wonders that will bring great fear. There will be demonic beings showing themselves to entrap people in fear. The drones that people are seeing are demonic in nature. Do not entertain them! Those that do not know their authority through the name of Jesus will be caught up in this. He said Luke 21:26 will be playing out. It says, ***“Men’s hearts failing them for fear, and for looking after those things which are coming on the earth: for the powers of heaven shall be shaken.”***

There will be extremely cold weather also. Do not be surprised when there is no heat, or fuel to bring heat. Be prepared for this now. Do not wait. There will be storms that will intensify bringing much destruction in many places. There will be violent earthquakes that will bring much death and destruction. Nothing will be what we have called “normal” again.

It is no surprise that these things are going to take place, because Jesus told us it would happen nearly two thousand years ago! If we read the scriptures, we know it will happen.

On the good side of extremes, the Lord showed me that the remnant that are standing strong in their faith and authority through the name of Jesus will be doing mighty things. Miracles will happen instantly when there is a need. There will be such a strong show of the miraculous that many will come to the Lord because of this extreme faith. There will be miracles in multiplication of food, and every other need that one would need. This will be the “new normal” for those of the remnant that stand strong.

There will be extremes coming from both the dark side and God’s light. Be prepared for these extremes. Determine that you will be used by God in a mighty way for His glory.
