BEING BORN AGAIN

It simply amazes me how many people go to church and have never been taught what it means to be born again. I can attest to this because the church I was brought up in did not ever preach that from the pulpit.

How important is correct teaching? It is a matter of life or death. It can mean the difference between spending eternity with God in heaven or being separated from God in hell.

In the past two weeks I have asked several people, "Have you been born again?" The answers amazed me. They were from, "No, I don't believe so." To "I am not worthy enough to be born again." Some had no clue what it meant at all. After sharing what it meant, each of these individuals invited Christ to be their savior.

A religious leader of the Pharisees came to Jesus at night and said, **"...no man can do these miracles that thou doest, except God be with him."** You see, he believed that Jesus was sent from God and was worth listening to. Jesus was not flattered by these words that he said. In John 3:3 Jesus' reply to him was, **"...Verily, verily, I say unto thee, except a man be born again, he cannot see the kingdom of heaven."**

This man was Nicodemus, a ruler of the Jews, but he had no understanding of what Jesus said. He was using his "natural mind" to understand spiritual words. He questioned Jesus how he could go back into his mother's womb. Jesus responded with, (John 3:10) **"...Art thou a master of Israel, and knowest not these things?"**

You see, just because you are a leader in a church does not mean that you have any understanding of spiritual things. Jesus went on again with the famous John 3:16 verse with the gospel. God sent the son because he loved the world. Because of this they can be saved.

If you want to understand more about why we need to be born again, go to our website and read [this article](#). It will help you understand.

The question I ask you today is this. Are you born again? You might say, I am okay, but it will not satisfy God. You must be born again to have eternal life with God. I pray that you have done this, and that you will share your testimony with others. Things are going to change very rapidly, and we need to witness now while we can publicly before that right is taken away from us.
