PRAYER IS THE KEY TO HEAVEN

A gospel song says, "Prayer is the key to heaven, but faith unlocks the door. Words are so easily spoken, but prayer without faith is like a boat without an oar. So, have faith when you speak to the Master, that's all He asks you for."

Some people say memorized prayers, and some read them from a prayer book or perhaps they repeat a prayer after someone else. But if it is not a prayer from your heart, it lacks the faith to open heaven's door to your prayer.

Pray sincerely in faith, believing and knowing that God heard you, and since he heard you, he will also listen to your heart-felt prayer.

If you prayed and then wondered if he heard you, then you did not pray in faith, believing. God is not deaf. He hears every word spoken by his children whether they are good words or ill words.

Choose all your words carefully, because not only does God, and his ministering angels, hear them, but also the devil and his angels [demons] hear them. Ill words give the demons a legal right to attack you or your loved ones. Good words give the holy angels direction to help and assist you.

Your words are powerful. There is no such thing as an idle word that is good. Do not speak frivolously. Speak the truth. Let your yes be yes, and your no be no. Do not speak insincerely. Say what you mean and mean what you say.

The best words are those which are spoken positively unto and about the Lord. Let his praises be in your heart, and they will be on your lips.

Pray always in faith. It unlocks heavens doors of blessing.
