DON'T BE DECEIVED

In this day and time there are so many voices being spoken. The Media through major news broadcasters, the social media such as Facebook and YouTube, those that claim to be prophets that are speaking, and of course the whispers from Satan that are speaking into every ear.

How do we know what is speaking truth and what isn't speaking truth? Can we truly know? I believe that we can know, *by knowing the voice of the Holy Spirit*. In John 14:26 Jesus is speaking and said, ***"But the Comforter, which is the Holy Ghost, whom the Father will send in my name, he shall teach you all things, and bring all things to your remembrance, whatsoever I have said unto you."*** Then again in John 16:13 Jesus speaks again and says, ***"Howbeit when he, the Spirit of truth, is come, he will guide you into all truth: for he shall not speak of himself; but whatsoever he shall hear, that shall he speak: and he will show you things to come."***

God, the Holy Spirit will never say anything that is contradictory to the scriptures. So, in order to know if the voice you are hearing is God the Holy Spirit or not, you must study the scriptures. This not only builds up your knowledge of God, but it will give you the ability to know when the voice is speaking truth or not. There are many voices speaking today and the only way to discern the truth is to know the truth, which is the Word of God.

Deceived? Yes, many will be deceived. This will be Satan's weapon in the last days. He has deceived many, including Christians, already by telling them through media that abortion and homosexuality is okay with God, when it is an abomination. How do I know this to be truth? Because the Word of God denounces both of these things. Many say sex outside of marriage (fornication) is okay if it is just with one partner, but in Revelation 3 it tells us the end of those that commit this. There will be no fornicators in heaven. (I Corinthians 6:9-10). That is not my opinion my friends. It is what God says through his word. Don't be deceived.

Have you been deceived? There is only one truth my friends, and when you find the truth through studying the Word of God, you won't be deceived. If you can admit you have been deceived, then I suggest you repent, and start reading the Word. In the days that are coming ahead of us, faster than we may think, the only way you will be able to survive without being deceived is to know truth.
