NO COINCIDENCE

Some of you may have been told from your youth that you were “a mistake.” How sad that a parent would say that, despite how their child came into the world. It is a lie of the devil!

I am here to tell you that the Lord would say that you are not a mistake. It is no coincidence that you were born when you were born despite of how it happened. Every living being is known by God before they are born.

In Jeremiah 1:5 it says, ***“Before I formed thee (before you were even created) I knew thee; and before thou camest forth out of the womb I sanctified thee, and I ordained thee a prophet unto the nations.”*** This was spoken to Jeremiah, but it holds true for each of us. God knew us before we existed in our mother’s womb.

There are many tragic stories of how someone came to be born. Some are the results of rape and incest. Others were purposely tried to be aborted, but they lived. How we got here truthfully doesn’t matter as much as we did get here.

God has a plan for every human life from before conception. Therefore, this is the reason why I am so opposed to any type of abortion. God forgives those that have done this, and those innocent babies are with him in heaven, but each life is precious to God no matter how they came to be in this world.

You were born for a reason my friend. There is no coincidence with God since he knew you before you were created. So, wipe those tears and thank God for life and let him be the reason you live. He gave you life in the beginning so give your life back to him through salvation, and through service. You are no mistake with God.
