THE POWER OF GOD IN US

The 1 John 4:4 says, “... **greater is He that is in you than He that is in the world.**” That is a mouth full. Despite all the bad things that we see, and the many attempts to attack us, the enemy, Satan, is small compared to the power of God in us!

Romans 8: 11 says, “**But if the Spirit of him that raised up Jesus from the dead dwell in you, he that raised up Christ from the dead shall also quicken [make alive] your mortal bodies by his Spirit that dwelleth in you.**”

Can you imagine that? The very **dunamis** [power] that raised Jesus from the dead lives in you and me! Wow. We have that Power in us, and He wants to give us victory each and every day in each and every way.

The Holy Spirit brings life to dead things. All those dreams that may seem dead; your body that might be fighting to stay alive; your finances on the brink of ruin; That dunamis power is in you and you can tap into it.

God wants you to have His power in your life. It is a walk of faith to believe God for it though. You must retrain your mind to keep fear out and the Word of God in. The more of the Word of God that goes into you, the more power you have.

We must take time to plug into that power. It is a choice. We can choose to go with God and learn more or remain defenseless when the enemy comes. Once we learn who we are in Christ everything changes.

Yes, there will be battles, but the Holy Spirit will guide us through these hard times, and we triumph through His guidance. Don't settle for less than all God has for you, my friends. He has given us his power; we just have to learn how to use it!
