THE LAMP AND LIGHT

Psalm 119:105 says, ***"Thy word is lamp unto my feet, and a light unto my path."***

The written word of God (Holy Bible) shows us how to live in righteousness. It also warns of the dangerous ways, paths, and practices. God's word is absolute truth. Jesus is God's spoken word. Jesus is the Truth. He affirmed this when He said of Himself in John 14:6, ***"I AM the way, the truth, and the life..."***

It will be important to remember both of these verses next week as I write about one of the most dangerous practices (path, or way) found in Christianity. It will be about a deeply ingrained practice and a false teaching which has deceived many and led them into idolatry.

Yesterday, I exposed the potential danger of burning incense, especially when burning it just for the aroma without Holy Spirit's guidance or anointing. Monday's series will highlight an even more serious matter. It is a follow up to yesterday's lesson from Jeremiah 44.

Stay tuned.
