INSIDER INFORMATION

You may read in the news how someone in the financial world has “insider information” that leads to their arrest. They find out about a company’s secret future decisions, and sell stocks based on this knowledge. This is illegal because it comes from stolen futures information.

In a Christian’s life, we can get “insider information” that is not illegal. It can come through a prophet, or it can come to an individual. This information helps one to make the right decisions in their life.

In The Book of Acts we see one such prophet, named Agabus. In Acts 11:28 God gave him a word of knowledge [insider information]. It reads, ***“And there stood up one of them named Agabus, and signified by the [Holy] Spirit that there should be great dearth [famine] throughout the world: which came to pass in the days of Claudius Caesar.”*** This enabled the disciples to send relief to their brethren in Judaea, knowing what was coming.

Agabus was given inside information again in Acts 21:11. He told the apostle Paul that he would be delivered into the hands of the Gentiles. Upon hearing this the disciples wanted Paul not to go to Jerusalem. But Paul went willingly, knowing what might happen.

Insider information is available to each of us Christians also. In John 16:13 Jesus told the disciples, ***“Howbeit when he, the [Holy] Spirit of truth is come, he will guide you into ALL truth: for he shall not speak of himself; but whatsoever he shall hear, that shall he speak: and he will SHEW [show] YOU THINGS TO COME.”***

Do you want to know what is going to come? Ask the Holy Spirit to show you, then act on what He says. He has all the Insider Information necessary for you to make your decisions.
