WHO DO YOU THINK YOU ARE?

You may not realize it, but Satan has many spirits watching you. He doesn't want you to have victory. He sets traps and hopes you will fall into them. He hopes you fail at all you try. He works through people to bring you discouragement and stop your progress as a Christian. But we have something that defeats him every time, and that is the Word of God. Once he sees that you won't give into his lies you win. When he sees that you have learned who you are in Christ, he cringes when you wake up and start your day. He'll say, "Oh gosh, she/he is up again!"

Jesus quoted the word to Satan with these words, "It is written" and it caused Satan to depart from him. You must do the same. You study the Word of God to learn who you are and use it as ammunition against him when he attacks you.

He will try to tell you that you are nothing but a "low down sinner", but if you are born again, you are "the righteousness of God in Christ Jesus."

He may tell you that you are broke and will never pay your bills, but Jesus has declared in Philippians that He would supply ALL your needs through his riches in glory.

Who you think you are in Christ will determine whether you win the battle or lose. If you see yourself defeated, you will walk in defeat. Jesus wants you to be successful in every area of your life. He promises to provide every need we have, but we receive everything by faith.

Do you think of yourself as a strong warrior for God? If not, you will be defeated.

Do you think of yourself as being an overcomer? If not, you will be "under" the circumstances every time.

We must determine to see ourselves the way God does to win in life my friends. He is Jehovah Jireh, which means God, our provider. He has provision for every need. The more of the Word of God you have inside of you, the more of it will come out as you speak. Yes, there will still be battles, but you win because you have learned who you are! You are more than a conqueror through Christ Jesus!
